PROFESSIONAL EXPERIENCE

Seton Hall Sports Poll – *Head of Graphic Design* South Orange, NJ | December 2024-Present

- Produce infographics to highlight data retrieved for each poll, included on our press releases and social media pages.
- Guide and manage members of the graphic design team, as well as the whole organization at times.
- Brainstorm and propose ideas for polling questions and social media content.
- Work with everybody to proofread and revise drafts of the polling questions, press releases.

The Stillman Exchange – S*ports Editor* South Orange, NJ | August 2024-Present

- Proofread, edit, and format the sports articles written by students each period - Find images relevant to the articles and insert them with picture credits.
- Write my own articles if necessary to meet the periods quota for published articles, or otherwise, whenever I desire.
- Generate topics bi-weekly for the sports section for writers.

Samuel I. Minder's – *Plant Nursery Worker* Landisville, PA | September 2022 – June 2024

- Pot groundcover plants (ie. pachysandra, myrtle) and fill out flats (payment was on a per flat piecework system).
- Load/unload delivery trucks as needed throughout the nursery, and water them as needed.
